Character Sketch

Analii age eight teen is short but not to short girl with long but not long hair. Her hair is dark brown she has black eyes. Analii dresses really nice her best outfit happens to be a white cute top with a blue belt in the middle and light jeans with white and blue sneakers. Analii is a spoiled little girl she always wants expensive clothing and sneakers so yes she loves shopping. But now how the economy is her parents told her that she can't be spending a lot anymore because there are bills and other things that have to be paid. In her head she be like "why did all prices go up why does the economy have to be like this" and she gets mad because their can't be no more shopping.
